FLOOD PROTECTION AUTHORITY HIRES NEW PUBLIC INFORMATION DIRECTOR

New Orleans, LA – Today the Southeast Flood Protection Authority East announced Antwan Harris as the new Public Information Director of the agency. “He is a hard working individual that will bring much needed value and expertise to our agency,” said Chief Administrative Officer, Derek Boese. “This position will help us effectively communicate to the public, elected officials, and our media partners the role of the Flood Protection Authority as it relates to the flood defense system. Antwan will also be instrumental in educating the community on the features of our structures.”

Antwan most recently worked as the Public Information Officer for Jefferson Parish Government. He has worked in the local news media as an anchor/reporter for WWL-TV, as well as a number of markets around the country including Tennessee, Michigan, and Georgia.
