

2019-001
Southeast Louisiana Flood
Protection Authority - East
Request for Qualifications for Disaster Debris Management
Addendum No. 1
March 22, 2019
Questions / Answers

DRC Emergency Services

1. Q: Does the New Orleans Public Belt Railroad and CSX Railroad require a separate certificate? I didn't see a certificate holder listed for either of these.

A: Yes.

2. Q: The New Orleans Public Belt Railroad and CSX requirements show a Railroad Protective Liability policy. We would not place this until such time the contract was awarded, but we can quote it if you'd like.

A: Provide proof of ability to acquire.

3. Q: The Qualifications of Respondent tab has a 7 page limit but asks for 5 years of our past performance, which exceeds the page limitation.
 - a. Can we submit the past performance as an additional attachment which does not count towards the limitations of this section?

A: Highlight the related work and consolidate the submitted material to the page limit allowed.

4. Q: The Operational Understanding and Approach tab has a 5 page limit but asks for a full outline of how the work will be done, quality control plan, TDSRS operations plan, etc.
 - a. Can the page limitations be extended or lifted for this section?
 - i. If not, can required plans be submitted as additional attachments which do not count towards the limitations of this section?

A: Highlight the related work and consolidate the submitted material to the page limit allowed.
